

Export Declaration for Feeder and Slaughter Cattle - SEA

Vendor Name		PIC	
Property Address		Contact Number:	

PLEASE SEND TO LSS - EMAIL: vendordecs@liveships.com.au Fax: (08) 9368 1966

This is a Vendor Export Declaration and Property of Origin Declaration. The owner of the cattle is required to sign and send this document with the accompanying contract between the Exporter (LSS), Agent and Vendor prior to delivery to the quarantine Facility.

I..... (PRINT NAME), the owner or representative of the cattle declare:

1. The cattle originated from farms/premises not quarantined for any bovine health reason at the time of certification.
2. Cattle are not within a withholding period or ESI for antibiotics.
3. The cattle originated from farms/premises clinically free from anaplasmosis, babesiosis, theileria, cysticercosis, intestinal salmonella infections (salmonellosis), vibronic dysentery, bovine genital campylobacteriosis, trichomoniasis, surra, bluetongue and sporadic bovine encephalomyelitis for the last 12 months.
4. No outbreak of the following contagious conditions have occurred on the property within the last thirty (30) days: Actinomycosis (lumpy jaw), Dermatophilosis (cutaneous streptothrichosis), Trichophytosis (ringworm), Contagious Ophthalmia / Bovine Keratoconjunctivitis (pinkeye). No case of Hendra virus has occurred during the last six (6) months.
5. The cattle originated from farms/premises clinically free from anthrax, bovine viral diarrhoea, malignant catarrhal fever, enzootic bovine leukosis, ephemeral fever, Q fever, haemorrhagic septicaemia, infectious bovine rhinotracheitis and leptospirosis for the last three years and paratuberculosis (Johnes disease) for previous 5 years.
6. Animals originate from herds of farms/premises clinically free from bluetongue for the last 3 years
7. The animals have never been fed with any kind of processed animal proteins (Vietnam: excluding milk proteins).
8. All cattle during the 30 days prior to shipment were free from clinical evidence of any diseases.
9. Cattle sourced for export to Thailand have been continuously resident in Australia since birth.
10. The cattle to be exported are NLIS identified and registered on the NLIS database against the above PIC
11. Livestock comply with all relevant state/territory health and welfare legislation and national codes of practice regarding on-property management and land transport according ASEL Standards 1 and 2.
12. Livestock will be loaded for road transport to the registered premises in accordance with Standard 2 and National Standards for Land Transport and in accordance with any other state animal welfare legislation.
13. As part of the chain of responsibility all livestock are to be sourced and transported under the Australian Standards for the Export of Livestock and to the advised LSS specifications. Please contact LSS, buyer or agent if you are unclear or require a copy of ASEL.
